**Resourcery** is a professional service provider based in Cape Town providing a wide range of services to clients all around the world, including finance, marketing, analytics and others.

For this particular role, our client is an investment company with a wide range of businesses in Hospitality and Food & Beverage. The company is seeking a skilled and experienced **financial controller** to join our team.

As a **financial controller**, you will play a critical role in managing the financial operations of our organisation and its subsidiaries. You will be responsible for overseeing daily financial activities, managing working capital and cash flow, collaborating with the executive team and external accountants, and ensuring the accuracy and timeliness of monthly reports and budgets.

## Key responsibilities

Reporting directly to the **Head of Finance**, your duties and responsibilities will include, but will not be limited to:

- Financial Management:
  - Oversee the day-to-day financial operations of the company and its subsidiary companies,
  - Monitor cash flow and manage financial transactions to ensure liquidity and optimise financial resources,
  - Implement robust financial controls and procedures to safeguard company assets and mitigate financial risks,
  - Conduct regular financial analysis to identify areas for improvement and efficiency enhancement;
- Strategic Planning and Budgeting:
  - Collaborate with the executive team to develop strategic financial plans and budgets aligned with organisational goals,
  - Monitor budget performance and variance analysis, providing insights and recommendations to support decision-making,
  - Drive the development and implementation of financial strategies to support business growth and profitability;
- Reporting and Compliance:
  - Prepare and review monthly financial reports, including income statements, balance sheets, and cash flow statements,
  - Ensure compliance with regulatory requirements and accounting standards,
  - Liaise with external auditors and accountants to facilitate audits and tax filings.

## Qualifications and skills

As an ideal candidate, you must have the following:

- Minimum of 5 years of experience in accounting or financial management,
- Strong understanding of financial principles, practices, and regulations,
- Demonstrated ability to develop and implement financial strategies to drive business growth and profitability,
- Excellent analytical skills with the ability to interpret complex financial data and provide actionable insights,
- Exceptional communication and interpersonal skills, with the ability to collaborate effectively across all levels of the organisation,
- Proficiency in accounting tools such as Xero and Dext, along with financial management software and Microsoft Office Suite,
- Experience within the food and beverage industry or related field is a huge plus,
- Experience with stock keeping is a huge plus,
- Proficiency in English.

On our side, we offer...

- a dynamic work environment fostering personal growth and development,
- opportunities to work on exciting projects with international brands,
- being part of a dynamic and dedicated team to excellence,
- exposure to disciplines beyond your own skill set,
- a vibrant office space in Cape Town and a flexible work environment (hybrid work) with occasional trips to our client in the UK,
- a comprehensive compensation package.
