

Job offer at Business Arts South Africa (BASA): Head of marketing and communications

Issued by [Business and Arts South Africa](#)

12 Jul 2018

Purpose: To manage the BASA brand and voice, communicating BASA's strategic purpose. Lead the development and implementation of an innovative, flexible and agile marketing and communications strategy that makes excellent use of resources, connections and partnerships available.

The role will work with both internal and external stakeholders to deepen and broaden the engagement.

Key elements for this role:

- Prepare and implement medium and short-term business plans for the marketing function that support the strategic plan of the organisation, developing a multi-channel marketing strategy ensuring consistency of brand across all channels.
- Manage the positioning of the BASA brand
- Oversee awards and all other productions with Marketing Co-Ordinator, ensuring that engagement with service providers, and stakeholders, sponsors are supported, and time lines are held.
- Provide support to the Chief Executive for all fundraising collateral and project development.
- Compile articles for publishing
- Manage the BASA brand across all online and digital platforms, including but not limited to BASA's website, social media accounts, digital screens, video and E-news content.

**BUSINESS
AND ARTS
SOUTH AFRICA**

Do you fit the profile?

Education and professional development

- Minimum of five years' experience working in a marketing role
- Essential to have a deep understanding and knowledge of the creative arts sector

Skills and experience

- Strong knowledge of internet technologies relevant to online advertising, podcasting, digital content creation and e-commerce.
- Excellent analytical, creative, and organisational skills to develop new initiatives
- Excellent written, verbal, and presentation communication skills; strong command of grammar, spelling and style.
- Ability to work independently with little supervision, and as a part of a team.
- Project management skills including reporting, budget management and analytical review.
- Ability to prioritise, multi-task, and shift priorities frequently, with little notice, and as necessary
- Ability to think strategically and act quickly on new opportunities
- Ability to work within tight deadlines to produce quick turnarounds
- Experience and skills in Adobe Creative Cloud software (specifically Photoshop, InDesign, Premiere Pro, Acrobat and Illustrator) desirable but not required.
- Ability to engage in advocacy
- Must be able to attend arts sector events in the evenings
- Own transport

Salary on offer: R325,000 cost to company per annum

Closing Date: 20 July 2018
