

AfriGIS assists the banking industry in leveraging location-based data

Issued by [AfriGIS](#)

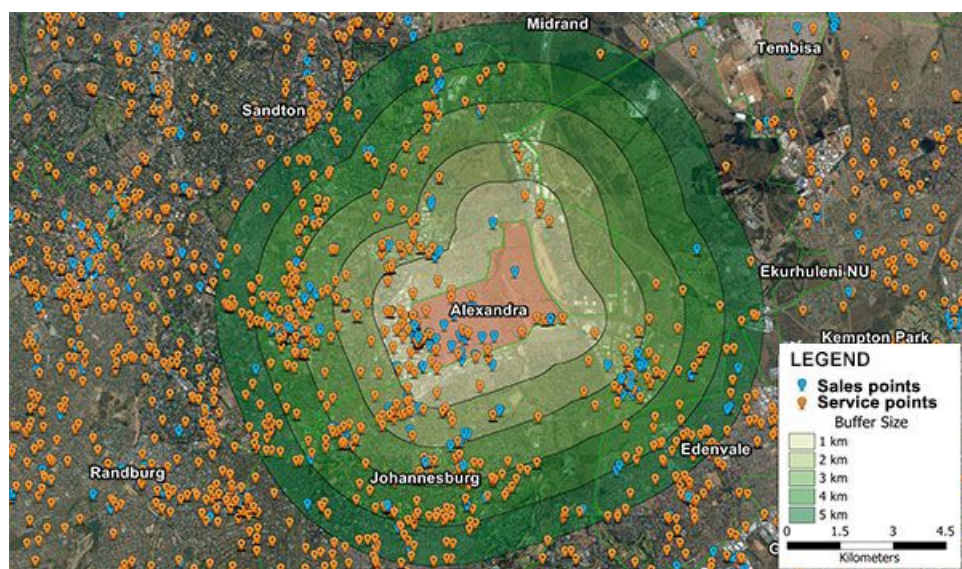

11 Oct 2018

For effective banking operations and decision-making.

By utilising the power of location data, we provide better insights to drive:

- Greater customer engagement
- Geo-targeted marketing
- Enhanced risk management
- Personalised customer solutions
- Customer retention, i.e. profitability
- Delivery of banking services at the right time, at the right place

The AfriGIS master datasets are SABS & ISO compliant.

We are constantly finding new ways to leverage enhanced data and location-based technology, to provide industry leaders with innovative solutions.
