

# Better the way you do business with location level, confidential customer insights

Issued by <u>Location Bank</u> 14 May 2021

Focus group surveying is an effective marketing tool, but traditional methods are incredibly time-intensive and costly. iFeedback is an online survey tool that digitises and streamlines the whole focus-group process, giving location-level customer feedback (not general overviews!) to questions custom-designed by you, the brand expert.

Find out more about our exclusive iFeedback benefits by viewing or downloading our overview below.
