This [October edition](#) of PSL focuses on Transport Month as well as Marine Month and on the front cover we are delighted to feature Western Cape Premier Alan Winde - whose wide-ranging interview with us is the lead story - in it we get in-depth insight into the province's strategies for infrastructure development, transport and growth of the tourism industry.

Fikile Mbalula, who fills us in on what the ministry is doing to celebrate Transport Month; and the Regional Focus is on Gauteng – did you know that the province is the seventh largest economy in Africa and the 26th largest urban region in the world? In Other News the spotlight falls on hospitals pleading with the government and Eskom to exclude them from loadshedding.
