

# Client Consent's solutions adopted by Capital Legacy

Issued by [Capital Legacy](#)

20 Nov 2023

In an era where the sanctity of data privacy and regulatory compliance takes centre stage, Client Consent proudly announces the adoption of their POPIA Compliance solution by Capital Legacy. This strategic move supports Capital Legacy's approach to data protection and compliance with the Protection of Personal Information (POPI) Act.

Client Consent is a business offering a solution designed to empower organisations to securely and efficiently obtain client consent for sharing their data with third parties.

With a user-friendly interface, Client Consent's platform simplifies the consent process, allowing businesses to uphold privacy regulations with ease. Say goodbye to complex paperwork and embrace a digital, POPI-compliant solution.

With Client Consent's solutions Capital Legacy is able to give clients the peace of mind they deserve while maintaining legal compliance – all through the convenience of WhatsApp.

Capital Legacy's stance on data privacy and POPIA compliance is unwavering. Capital Legacy doesn't perceive safeguarding clients' personal information as a mere obligation; rather, it's a core commitment fostering trust and upholding the highest ethical standards.

## Decoding the significance of [Client Consent](#)

Client Consent's innovative platform aligns seamlessly with the organisation's values and objectives, offering a multitude of advantages:

- **Simplified compliance:** Negotiating the labyrinth of data protection regulations becomes a more manageable task with Client Consent. The platform streamlines compliance, ensuring Capital Legacy effortlessly meets the stringent demands of the POPI Act.

- **Efficiency:** Valuing clients' time is paramount. Client Consent enables Capital Legacy to solicit and secure consent within minutes, thanks to its user-friendly interface and integration with WhatsApp, making the process both straightforward and convenient.
- **Enhanced security:** Prioritising data security, Client Consent employs robust encryption and security measures, providing an assurance of safeguarding sensitive client information.
- **Transparency and accountability:** The platform meticulously records all consent requests and approvals, elevating transparency and accountability in Capital Legacy's compliance endeavours.

### A firm pledge to data privacy

Beyond simplifying compliance, Client Consent's POPI Act compliance solutions furnish clients with a secure and efficient means of granting consent.

The integration of Client Consent's cutting-edge platform not only ensures adherence to legal obligations but also amplifies the levels of trust, transparency, and security offered to clients such as [Capital Legacy](#).
