Peugeot TVC - Saatchi & Saatchi / Ministry Of Illusion

Saatchi & Saatchi recently commissioned Adam Howard of Howard Music to compose the original music for the latest Peugeot TV campaign. Twelve 10-second spots will be aired. All use the same music, and final mix is also completed at Howard Music. Animation was done at Ministry Of Illusion, home to Howard Music. "It's important to be near the picture, and on this project, being close to the animation made the creative process easier."

Nutriday TVC - Y&R

Y&R had a five-second music sting composed to end off a recent TVC for Nutriday. The five-second sting is to be used on future Nutriday projects and had to fit in with the orchestration of the library music being used. The Front produced the TVC (Director - Ian Wilson, Producer - Di Wilson) with Deepend Post providing the editing (Paul West). Final mix - Adam Howard.
