Xpress Credit from Tiger Wheel & Tyre offers an easy and manageable way for South African consumers to ensure they have funds available for all their pre-planned and/or last minute tyre and wheel needs.

The Xpress Credit Card serves as a convenient credit facility, offering affordable payment terms on all products and services from Tiger Wheel & Tyre. With a choice of revolving 24 or 36 month payment plans, customers now have the option to stretch their budget according to their pockets.

"Convenience is key at Tiger Wheel & Tyre, and with our Xpress Credit service on offer, we're simply adding to the convenience of 'buying what you need, when you need it'. Our customers have certainly reaped the benefits of their Xpress Credit

card when it comes to emergency purchases of tyres as well as more fashionable buys with our wheel enthusiasts," comments Joe du Plooy, Marketing Executive of Tiger Wheel & Tyre.

A reassuring note from the wheel and tyre industry leaders, who have gone a step further with their convenience offering by implementing a quick and easy in-store Xpress Credit application process. Just pop into your nearest Tiger Wheel & Tyre with your South African ID or valid driver's licence and a Tiger Wheel & Tyre assistant will walk you through the process. To save time, customers can also kick off the process by making use of Tiger Wheel & Tyre's Quick-Check SMS facility, which will inform you within minutes of your pre-approval status.

Simply SMS your ID number, your initial, surname and monthly salary to 35155, (example: 7013320212080*S*Barkhuizen*5000). Customers are informed that by sending their SMS, they give permission to submit their information to the credit bureau. SMS charged at R3.00 per SMS.

The great news is that if the application is successful, customers stand a chance to win a R 2000 Tiger Wheel & Tyre Gift Card. There will be one lucky winner every month until October 2011. For full terms and conditions of this promotion visit www.twt.to.
