Following Litha's successful entry into the built industry through clients such as the Department of Human Settlements and the NHBRC, the company recently landed another prominent, and rather glittering, client.

In September, Litha was appointed as PR agency for state-owned diamond mining company, Alexkor.

"We truly enjoy working strategically and creatively with a rich diversity of clients, and we look forward to working with Alexkor in the years to come," says Teresa Jenkins, MD of Litha Communications.
