

# Warc Awards 2020 announces Effective Content Strategy shortlist

Warc has announced the release of the Effective Content Strategy shortlist.

21 campaigns for a wide range of product categories for global brands across different markets have been shortlisted in the Effective Content Strategy category, which rewards content strategies that can demonstrate a business outcome.

Covering a range of product categories, such as automotive, finance, FMCG, retail and telecommunications, across different markets, the shortlist has been selected by a panel of industry experts.

Ash Tailor - Global brand and marketing director, Legoland and chair of the jury commented:

*“ This year's shortlist shows that brands are interpreting content in its broadest sense. Featuring smart media partnerships, movies and podcasts, it's a rich collection of case studies from all over the world that will educate and inspire practitioners. ”*

The shortlisted entries are:
