

Maree Prendergast joins Wunderman Thompson

Adweek reports that Wunderman Thompson has hired Maree Prendergast as its chief talent officer. Wunderman Thompson's previous chief talent officer, Laura Agostini, is moving on to a position within WPP North America.

As global chief talent officer, Prendergast will be tasked with overseeing talent strategy and execution, driving agency culture. She will be based out of Wunderman Thompson's New York office and will report directly to global CEO Mel Edwards.
