

Watch local soccer games live on your cellphone

This year, soccer fans unable to travel to a stadium to see their favourite teams play in the Vodacom International Challenge, 15 - 23 July 2006, are experiencing the action on their Vodacom Vodafone live! 3G cellphone with Vodacom's Mobile TV service. All matches are being broadcast on Yebo 3, Vodacom's event-based channel. 3G network coverage is required.
