

SBV Services partners with tamper evident security specialists Mega Fortris

SBV Services has partnered with tamper-evident security specialists Mega Fortris.

The partnership sees the supply and distribution of tamper-evident security bags and security seals nationwide as an added enhancement to SBV's security profile.

Mega Fortris South Africa, a subsidiary of global industry leaders the Mega Fortris Group, have designed and manufactured a product unique to the South African market adding multiple layers of security, thereby enhancing the integrity of cash-in-transit.
