“With marketing often being sidelined by the C-Suite, we realise what a relevant topic this is,” says Khensani. The discussion will address why buy-in from the highest level in business is essential for marketers today and, of course, how to get it.

Actress and comedian Tumi Morake takes the stage as MC, as she introduces the stellar line-up of speakers. Several confirmed speakers include:

- A-lister, Susan Credle, Global Chief Creative Officer for FCB will be presenting an international keynote live from New York.
- Pepe Marais, Founding Partner and Group CCO of Joe Public United, takes us back to basics with his performance in ***Basic Instinct***. *Have we forgotten the marketing basics?*

- Terryanne Chebert, CEO of Keyara Botanicals & Founder of Africa's Leading Ladies, will be doing **The Hustle**. Key Insights from an African Influencer.
- Mike Stopforth and Victor Dlamini, founders of 48H, will be showing us how to avert a brand crisis in **48 Hours**.
