

Samsung presents Sensation 'Innerspace'

On 7 September 2013, the Coca-Cola Dome in Johannesburg was transformed into an 'Innerspace' extravaganza at what is being hailed as the most stunning music and dance event of year.

Affirming its position as the 'World's Leading Dance Event', Sensation 'Innerspace', presented by Samsung #GALAXYexperience and produced by Netherlands-based ID&T, debuted in South Africa to a sold-out audience. Some 17,000 revelers, all dressed in white, were part of this world-class event, featuring dazzling and sophisticated production elements synonymous with Sensation shows around the world.

Phenomenal dance music was produced by the stellar international DJ line-up of Sensation opening DJ Mr White, Nic Fanciulli, Sunnery James & Ryan Marciano, Daniel & Juan Sanchez and Thomas Gold.
