

La Lucia Mall introduces new click-and-collect parking

La Lucia Mall has introduced a dedicated parking for customers' click-and-collect shopping. The new parking zones will also help delivery drivers to collect groceries.

Click-and-collect shopping from its stores is one of three easy ways to shop La Lucia Mall. There is also an option to have groceries and other goodies delivered from Pick n Pay and Pick n Pay liquor, Clicks, Dis-Chem, Woolworths and Exclusive Books via the OneCart App. Find more information about the click-and-collect services by visiting the La Lucia mall's [website](#).
