

## Welcome new hoods, Foundry and Downtown

Two new neighbourhoods have been named and selected by Cape Town residents, following the [Name Your Hood](http://www.nameyourhood.co.za) project voting which took place late last week. 'The Foundry', submitted by Simon Hartley, is the area bordered by Somerset Road, Coen Steytler and Buitengracht - adjacent to de Waterkant. 'Downtown' is the name given to the neighbourhood

incorporating The Company Gardens, Parliament and Greenmarket Square. Two new neighbourhoods open for submissions on Monday 26 September 2011. For more, go to [www.nameyourhood.co.za](http://www.nameyourhood.co.za).
