

2020 Johannesburg HOMEMAKERS Expo

Issued by [HOMEMAKERS](#)

10 Jul 2019

27 Feb - 1 March 2020 | Ticketpro Dome

InHabit

We live in a world that is better connected than ever before. People are longing to feel like they belong, that their voice is heard and that they fill a significant space in the global village.

In 2020, the 27th Johannesburg HOMEMAKERS Expo will connect visitors with the products and services that help them own their space. *InHabit* is about improving the way people live in their homes and how they connect with everything around them. This includes environmental sustainability, story sharing, supporting local businesses and being better informed about product origins.

The 2020 Johannesburg HOMEMAKERS Expo will once again give visitors the chance to see, touch, feel and compare the latest home products and services.

It's an opportunity to do more than merely occupy a space, it's about developing a lifestyle where people truly *InHabit* spaces and boldly connect with those around them.

Show features include:

Raw Workshop

An expo favourite, the Raw Workshop will bring a wealth of interesting demonstrations where craftsmen will show off the beginnings of their product of trade. Visitors will find themselves at the heart of product development and get to experience how a range of DIY and raw products are made.

Kitchen Theatre

In the all-new Kitchen Theatre, visitors will be entertained and educated during a series of food demonstrations lead by celebrity chefs, guests and experts. Visitors can expect a fun-filled programme that will leave them skilled, inspired and

*InHabit*ing their kitchen in a whole new way.

Designer Spaces

Be inspired by authentic design styles of the world. Local interior designers will be given the challenge to create a space inspired by their favourite country. In this demo space visitors will see what the chosen interior designers have created and be able to ask questions on how to incorporate their favourite style into their home.

Young Designers Challenge

The Industrial Design students from the University of Johannesburg will once again take up a special Johannesburg **HOMEMAKERS** Challenge. Visitors to the Young Designers Challenge will be able to see the products that will potentially help them *InHabit* their spaces in the future.

Truly Artisan

Truly Artisan is a must for visitors looking to add the latest, custom-made products to their home. It's a treasure trove of artworks, cutting edge furniture and lighting designs, collector's items, handcrafted decor pieces and natural products.

D'Vine Life

Indulge in something different at D'Vine Life. Come snack or lunchtime, this foodie haven will have visitors spoilt for choice. Choices include everything from gourmet sushi, towering burgers and homemade curries to biltong, cakes and ice-cream.
