If you think you have what it takes to pitch to a panel of experts and a live audience, we want to hear from you.

The GIBS Entrepreneurship Development Academy will be hosting the 5th annual Social & Green Entrepreneurship Festival of Ideas Competition at the GIBS campus in November. The festival casts the spotlight on sound business ideas that drive a social or environmental mission to achieve social change. Aspirant social entrepreneurs will have the opportunity to pitch their unique social or environmental business ideas to a panel of experts for a chance to win spot cash prizes of up to R50,000.
