Senior Full Stack Business Intelligence Developer

Location:	Johannesburg
Type:	Permanent
Reference:	#NG58997
Company:	E-Merge IT Recruitment

Join a technology company that supports enterprises and scale-ups around the world to develop world class technology products, build great technology teams, generate more revenue, and deliver outstanding customer experience. As a **full stack business intelligence Developer,** you will be joining a tech team that is bold, moves fast and relies on self-accountability and initiatives - from the design to deployment.

Responsibilities:

- Design, implement and maintain the Data Warehouse and Data Lake
- Design, implement and maintain of end-to-end business intelligence solutions, including data visualization, data modelling, ETL processes, and data warehousing
- Design, implement and maintain ETL processes for data extraction, transformation, and loading
- Maintain data security and quality
- Maintain and improve our standards of coding and deliveries
- Participate and contribute to the architecture design process
- Participate in reports design and review proposed solutions to ensure they meet accuracy
- Collaborate with cross-functional teams to gather and analyse data warehouse requirements
- Provide technical mentorship to junior team members, guiding them in best practices for BI development and data engineering

Experience and qualifications:

- BS/MS in Computer Science or equivalent
- Experience with DBT
- Experience with AWS tools (S3, Glue, Redshift, QuickSight, etc.)
- Experience working with external APIs to extract and import data
- Experience with languages such as TypeScript/JavaScript, Bash, Python, Spark, PySpark or other similar programming languages

The Reference Number for this position is **NG58997** which is a **Permanent position** based in **Johannesburg** offering a cost to company of **R900,000 up to R1.1mil per annum** negotiable on experience and ability. Contact Nokuthula at nokuthulag@e-merge.co.za or call her on **011 463 3633** to discuss this and other opportunities.
