Produced in partnership with Kagiso Radio Media, the podcast features conversations with a diverse lineup of prominent industry figures on exploring the facets of creativity in the dynamic world of advertising.

The inaugural first episode, [Best of 2023](#), offers a retrospective look at the most impactful and creative ads of 2023.

The episode is joined by guest hosts Carl Willoughby, the chief creative officer of TBWA\Hunt Lascaris (and newly appointed Creative Circle chairperson) alongside Sibusiso Sitole, cofounder and chief creative officer of The Odd Number and Roanna Williams, the chief creative officer of Boundless.

"We are excited to launch *Talking in Creative Circles* as the official podcast of the Creative Circle," says Willoughby. "We invite our audience to join us on this exciting journey as we explore engaging content that reflects the vibrant spirit of our industry."

Carl Willoughby named chairperson of Creative Circle

## Promoting creativity

As a force in promoting creativity in the South African advertising industry, the Creative Circle is committed to fostering dialogue, sharing insights, and celebrating the innovative spirit that drives creativity forward.

The podcast is an extension of this, offering listeners a platform to delve deeper into the latest trends, success stories, and thought-provoking discussions shaping the advertising landscape.

## Roanna Williams reflects on her term as the first female Creative Circle chairperson
