

See: Boity launches her Eau De Parfum

Boity Thulo recently launched her Eau De Parfum, Boity Pink Sapphire, in partnership with Halo Heritage. The launch event was attended by Boity's closest celebrity friends, including Pearl Thusi, DJ Zinhle, Maps Maponyane and Moozlie, who also shared in the excitement on social media with messages of support for the television personality.

According to Boity, the fragrance is for all women who command attention and make an entrance when they walk into the room, playing into their duality of strong and sweet.
