

#EcommerceDay2021: The appetite of businesses to move online is booming

In the first episode of our E-commerce Focus geared towards the launch of E-commerce Day on Wednesday, 10 March 2021, we chat to Jonathan Smit, founder and managing director of online payment processing service PayFast. He shares insight into the growth of the e-commerce landscape in recent times, how Covid-19 has affected the e-commerce sector, as well as future trends to watch out for.

The inaugural [E-commerce Day](#) launches on 10 March 2021, with a [special editorial focus on Bizcommunity](#) for the week. E-commerce Day is an initiative by [ecommerce.co.za](#).
