The Awards acknowledge the positive impact of innovative startups using mobile or tech to meet local needs in any African market, across 12 categories.

Categories include the Disruptive Innovation Award, the Best African App Award, the Enterprise Solution Award, the Fintech Award, and the M-commerce Award. A full list of award categories can be [accessed here](#).

Applications will be assessed by a team of expert judges, with the winners to be announced and awarded at the gala event to be held in CapeTown on 6 November 2017, prior to the [Africacom](#) event.
