

Anzisha Prize 2022 still accepting applications

Anzisha Prize 2022 applications are still being accepted. Africa's premier entrepreneurship initiative invites entrepreneurs between the ages of 15 and 22 across the continent to take part in its fellowship and share over \$120,000 in prize money.

In the revamped fellowship, up to 26 entrepreneurs are expected to receive support, an increase from the 20 entrepreneurs in last year's cohort. Anzisha Prize has four grand prizes awarded at the end of a three-year period to the most successful entrepreneurs. Each grand prize is valued at \$10,000.

Applications have been simplified and can be done completely online. To apply click [here](#).
